## About Us

We support children, youth and adults who have diverse abilities. Our team of consultants offer a wide range

of educational backgrounds and professional expertise. Many also speak an additional language. We carefully match our consultants with the unique needs of the individuals and families we serve. We offer service in the comfort of your own home, and consult in communities throughout the Lower Mainland and other parts of British Columbia.

## Working together, we help individuals:

- learn new skills and increase independence
- overcome challenging behaviours
- make meaningful changes that improve their quality of life.

## Expand your potential through interactive learning opportunities!

- Our certified consultants offer the globally-recognized Triple P® Stepping Stones Positive Parenting Program.
- We offer customized training and workshops for parents, caregivers, professionals and para-professionals.
- Our CONNECT with PEERS® camp brings youth together to develop their social skills and build friendships.

## Getting Started

### Self-Referral/Private Contracts

Services may be funded privately or through provincial autism funding. Please contact our Service Coordinator for details at (778) 945-1435 or email [laurel@posAbilities.ca](mailto:laurel@posAbilities.ca)

### Government Funded Services

- Requests for children's services can be directed to your Social Worker at the Ministry of Children and Family Development.
- Requests for adult services are managed by a Facilitator with Community Living BC.

There is no charge to families for our government funded services.

Laurel Behaviour Support Services is offered by *posAbilities* a not-for-profit community living organization.
