

Services at a Glance

● **Children**

● **Youth 18 years and younger**

● **Adults 19 years and over**

Behaviour Consultation

● ● ● **All ages**

Laurel Behaviour Support Services [LBSS] provides Early Intensive Behaviour Intervention (EIBI), behaviour consultation to school-aged children and youth and adult services to individuals who have an autism spectrum disorder or other intellectual disability. Our consultants use the science of applied behaviour analysis to address challenging behaviours and to teach adaptive skills that will produce enduring changes in their quality of life. In addition, certified consultants offer the globally-recognized Triple P® Stepping Stones positive parenting program as well as other customized training and workshops for parents, caregivers and professionals.

Laurel Behaviour Support Services:

- Early Intensive Behaviour Intervention
- Behaviour Consultation (for all ages)
- Behaviour Interventionist (BI) services
- Triple P® Stepping Stones (Families of children up to 12 years of age)
- Workshops and training
- Social skills and recreational camps

Community Inclusion

● **Adults**

We offer a variety of meaningful and enriching programs in Vancouver, New Westminister, Richmond and Maple Ridge. Persons served may choose to participate in one or more programs of interest and are encouraged to explore community based initiatives or our community connecting service.

Current programs and initiatives include:

- Alternative Creations Studio
- Building Caring Communities
- Stage Door Theatre Troupe
- Other community engagement programs

Employment Services

● **Adults**

● **Youth**

posAbilities Employment Service assists job seekers to prepare for, secure and maintain competitive employment. Services may be funded by Community Living BC, or privately, on a fee for service basis. As each job seeker's journey is unique, we offer a menu of supports that can be tailored to the individual. Choose any or all of the following services: *Employment Exploration, Career Education, Job Search and Placement, Interview Preparation and Accompaniment and Job Coaching*. Fees for service will be quoted based on the path chosen.

Don't Sweat It Services provides contracted outdoor maintenance, small moves and recycling services employing people with developmental disabilities.

Home Living

● ● ● **All ages**

We offer a variety of home living supports across Metro Vancouver communities - from Squamish and the North Shore through to the Fraser Valley. The spectrum of support includes outreach services to individuals who wish to live independently in their own homes; shared living arrangements with support provided by roommates or families; and residential care homes, where support levels are geared to the needs of the persons served.

- Shared Living and respite
- Supported Independent Living
- Residential homes

**We offer services in Metro Vancouver and other BC communities.
